

Desert Dunes Animal Hospital

“BIGGEST LOSER” WEIGHT LOSS PET CHALLENGE

Kick off January 2nd, 2019

**PRIZE
VALUED
AT OVER
\$300**

Ideal weight pets live longer, feel better and are healthier!

🐾 HERE'S THE SKINNY:

Obesity is an increasing problem in our pets and can predispose them to increased health risks such as diabetes, high blood pressure, cardiovascular problems, liver disease, musculoskeletal problems, immune dysfunction and certain cancers.

🐾 BIGGEST LOSER CHALLENGE DETAILS AND RULES:

KICKOFF January 2nd, 2019. Clients wanting their pet to join the challenge must bring their pet in for an entry walk in weight check appointment. This appointment is complimentary and there will be no charge associated with this service. At the appointment the client will be asked to fill out a brief entry form for their pet. Our staff will then give information to the client to successfully start their pet's weight loss journey. Each entry will receive a sample bag of Hills Diet Food (R/D, W/D, metabolic, satiety) and measuring cup. Clients will sign an authorization allowing us to use their pet's story and images for advertisement. At the end of the entry walk in appointment our staff will then take a picture of your pet.

🐾 PETS MUST HAVE AN UP TO DATE PHYSICAL (within the last year)

If you have not seen a veterinarian in the past year we encourage you to make an appointment with one of our veterinarians to discuss your pet's weight before starting the weight loss challenge.

🐾 PRIZE:

The challenge will end on January 31st, 2019. Winner will be announced on February 5th, 2019. The winner chosen will be the pet that has lost the highest percentage of overall body weight. \$100.00 gift certificate to be used for future purchases of Hills Prescription Diet Food and a free Wellness Exam and Wellness Blood Profile at DDAH.

Of course, in this contest, losers may not win the big prize, but all losers will gain. So, come on in now for your entry walk in weight check appointment – and may the best loser win!
